### **THE SEASIDE CAME TO HALE PREP!**

*On Monday, Year 1 had a wonderful day learning about seaside holidays in the past. They were entertained by a live Punch and Judy show and learned about the history of puppets. They also learned how to make a miniature theatre and drew pictures of their favourite puppets. It was a brilliant day! Thanks to Ron Wood from Jolly Good School Workshops.*

## BIKEABILITY

This week, Year 6 took part in Bikeability. The children learnt how to cross roads safely, make U-turns, manoeuvre left and right, and maintain bikes. They were glad the weather held, as much fun was had, safely, of course. Well done to all who took part. Here's group 1, all raring to go.

## RESIDENTIAL TRIP

Next week, Years 4, 5 and 6 will travel to Plas Menai National Outdoor Centre for their two-night residential trip. Years 4 and 5 leave school at 07:15 on Monday morning and return at approximately 15:45 on Wednesday. Year 6 leave school on Wednesday morning at 11:15 and return at approximately 6 pm on Friday. While there, the children will participate in various activities such as stand-up paddle boarding, kayaking, raft building, gorge walking, rock climbing and high ropes.

## PARKING

This week, we received the following email from a neighbour.

Dear Mrs Vayro,

Unfortunately I am left with no choice but to send out a new message regarding the issue of Hale Prep parents parking with little or no consideration for local residents.

On consecutive days we have had cars parking across our driveway and those of our neighbours.

Can You please send a new message to your clients informing them that courtesy and thoughtfulness would be appreciated in this matter.

Regards

Westgate  
Hale.

*Please avoid blocking residents' driveways.*

## VETS CLUB

Another special visitor came to the Vets Club after school yesterday. Daisy, Mrs Leyland's gorgeous Cockapoo. After a discussion about the history of the breed, the children measured Daisy and checked her heartbeat. Daisy then performed her various tricks for the children – in return for a treat from each of them! They all went outside, and Daisy delighted the children with her ball-chasing skills! She ran a lot faster than they thought she would!
