DETAILS FOR SPORTS DAY TUESDAY 20TH MAY - Mr Busby

VENUE BOWDON SPORTS CLUB, SOUTH DOWNS RD, BOWDON, ALTRINCHAM, WA14 3DT

INFANTS 10.30-11.30 JUNIORS 1.45 PM-2.45 PM

Parents are warmly invited to Sports Day, which is scheduled to take place on Tuesday, 20th May. If you know that your child will be absent for any reason on that day, please notify us as soon as possible. **Children should come to school in their PE kit**.

In the morning, each child will be given a bib indicating which team they are on.

They will accrue points for their team depending on where they finish in their races. As in previous years, children will compete with children of similar ability. That should make for exciting races, and no child should think they don't want to compete because they have no chance of winning.

The children will participate in four different activities: a sprint, retrieving balls from cones at various distances, an obstacle course, and a team relay. All children will receive stickers.

If we have time, we will do some parent races. Parents wanting to run must wear trainers.

Parents will be able to spectate from behind the low barrier around the outside of the hockey pitch. If at all possible, please consider walking to Bowdon. The car park will be very busy in the afternoon as parents from Bowdon Church School start picking up their children. Two entry/exit points will be open to speed up dispersal from the venue.

If any parent of junior-age children is not collecting their child/children from Bowdon on the 20th, please notify the school by emailing b.wilson@haleprepschool.co.uk by Tuesday, May 13th. This will help us arrange sufficient transport back to school.

There will be no homework on Tuesday, May 20th, so parents can take their child/children straight home unless they need to pick up an infant child at 3:15 pm.

REQUEST FOR HELP AT SPORTS DAY, TUESDAY 20TH MAY

It would be much appreciated if any parents or older siblings are available to help for an hour with the junior sports day on Tuesday, May 20th. Some helpers are required to move equipment for the obstacle race and to judge finishers. Please let Mr Busby know at <u>s.busby@haleprepschool.co.uk</u> or stop him in the playground if you can kindly volunteer. It would be a great help.

TAG RUGBY - Mr Busby

Tag Rugby club on Tuesdays is now open Year 4 as well as Years 5 & 6. Held at Timperley Sports Club it is £6 for the rest of this half term. Please book via the school app if your child would like to join.

NASAL FLU DATE

We have been given a date of 17th November for the annual nasal flu vaccination. This is offered to all children from Reception to Year 6. IntraHealth administers it on behalf of the NHS. In the autumn term, they will send further details for us to forward to parents.

OPEN EVENING

Thank you to all who attended the Open Evening on Monday. We hope you enjoyed being shown around the school by your children and meeting some of their teachers. Thank you to the Year 6 children who stayed at school to help and to the children who took part in demonstrations in some lessons.

MANCHESTER HIGH YEAR 6 PHOTOGRAPHY COMPETITION

Congratulations to Suhana and Isaac in Year 6, who were both finalists in the Manchester High Year 6 Photography competition. Suhana was the overall winner, and Mrs Scott, the Head of Lower School at Manchester High School for Girls, came to present her with the prize for winning the competition. Mrs Scott said the judges were very impressed with their entries.

CLASS PHOTOGRAPHS

The children should have all brought home information on how to log on and view the photographs taken last week. The photographer has advised that the photographs are now all uploaded and ready to view.

YEAR 1 SIKHISM WORKSHOP

On Monday, Hardev Singh Khalsa, the Sikh representative from Manchester, visited Year 1. He explained the religion and brought artefacts for the class to see as part of their RE lesson. The class was really engaged in the workshop, and they asked lots of questions.

WOOD STREET MISSION

On Friday, 9th May, all children will be invited to bring in good as new/new books to school for the Wood Street Mission charity. This charity is a children's charity helping children and families living on a low income in Manchester and Salford.

They provide practical help to help meet children's day-to-day needs and improve their life chances. Through <u>Family Basics</u> they provide struggling families with children's clothes, bedding, baby equipment, and toys and books which are important for children's wellbeing and development.

The children can wear odd socks to school in return for bringing in a book/books. Many thanks in anticipation of your support.

VETS CLUB

This week's visitor was Louie the bulldog. Thank you to Mrs Solanki for bringing him in. The children love their weekly visitors!

YEAR 4 ENTERPRISE WEEK

It has been Enterprise week for Year 4 this week, and the children have been amazing.

On Tuesday, Year 4 completed a marathon relay in beautiful weather. On Thursday and Friday, they set up their own stalls and sold sweets, drinks, and crafts. Also, the children have been selling tickets for a sweet hamper every day this week. The children have demonstrated superb entrepreneurial skills and have really enjoyed the experience of raising as much money as possible. A big thank you to all those who sponsored the children for the relay and those who spent money at the stalls on Thursday and Friday.

YEAR 6 VISIT

Year 6 loved visiting the inspirational author/poet Matt Goodfellow today. We loved listening to his poems and stories about his life. We can't wait to finish reading 'The Final Year' in school and to read his new book, 'The

First Year."

YEAR 5 HINDUISM TALK

This morning, Year 5 had a very special visitor in class! Dr. Rauniar, very kindly, came in to give a fascinating talk about Hinduism, one of the major world religions. He brought in an interesting book and a beautiful artefact from home.

The children learned about Hindu beliefs and tried out the lotus position, which allowed them to meditate and to practise breathing techniques.

OMORRO

Dr. Rauniar also answered lots of thoughtful questions from the pupils, who were curious and respectful throughout the session. It was a wonderful opportunity to explore a different culture and a way of life.

Thank you to Dr. Rauniar and his wife for sharing their time and knowledge with us—we learned so much and had a brilliant time!
